## EXPERIENCE

### Project Libraría
BOSTON, MA & Remote JAN 2020 - SEP 2020
Worked with award-winning artist and director Tom Pearson to develop an interactive VR theatrical experience. Conceptualized and created visuals and 3D environments, characters, and assets.

### Lucky Eight Media
BOSTON, MA | AUG 2018 - PRESENT
Director of Marketing of an online lead-gen services startup. Tasks include managing a team of interns and designing the UX/UI of an enterprise data management platform to be released this year.

### Bamboo Ladder
REMOTE WORK | SEP 2018 - PRESENT
Co-founded a non-profit which provides resources, entrepreneurship education, resources, and funding to student entrepreneurs ranging from high school to college.

### Ben Jen Holdings
BOSTON, MA | AUG 2018 - PRESENT
Currently mentoring startups to help them scale and secure funding. Have attended dozens of private equity events and trade shows in the capacity of Venture Associate.

### LaunchX Entrepreneurship Programs
BOSTON, MA | JUN 2018 - AUG 2019
Mentored a cohort of young entrepreneurs at MIT. Taught prototyping and biz-dev, in addition to managing relations with local makerspaces. Managed speaker outreach for panels and events.

### Rendever
BOSTON, MA & REMOTE | JUL 2016 - DEC 2018
Joined an early-stage startup in MIT's Delta V accelerator, handled UI/UX R&D and VR content creation for seniors with dementia. Did research that won multiple regional science fair awards.

## EDUCATION

### Olin College of Engineering
Class of 2023 | BS in Engineering: Design
